## REPORT OF THE SUPERINTENDENT

---

To the School Board of Holderness:

Schools opened on Monday, August 29, and continued for 23 weeks, closing on February 10 for the winter recess. The registration this year is larger than heretofore, the increased enrollment being wholly in the northern part of the town.

### Enrollment of Pupils in Schools

Bridge	16

	29

#### High Schools

Plymouth	6

New Hampton	1
	<hr/>

Total registration to February 10 138

Number pupils to be graduated in June: Elementary, 13; high, 4.

Number pupils who will probably enter high school next fall, 9.

Estimated number of pupils in high schools next year, 23.

For financial reasons very little repair work on schoolhouses has been done this year. Several things need to be done and should not be deferred any longer. Toilets suitable for school purposes should be provided at the Carr school, and at the True school additional windows should be placed in one side of the building to provide the necessary light.

This winter, in the Elm, East, and Bridge schools, forty children are being provided with hot lunches at noon. These lunches are proving of great benefit to the health of the children. It would be very desirable if an oil stove could be furnished for each schoolhouse, as the ordinary school stove is not at all suitable for cooking purposes in the schoolroom.

#### Statistics for School Year 1920-1921

Number of pupils in district schools	95
Number of pupils in elementary schools elsewhere	20
Number of pupils in high schools	14
<hr/>	
Total enrollment	129
Per cent of attendance	.94
Number of visits of superintendent	100

With your continued cooperation the superintendent feels confident that the present year will be a very successful one.

Respectfully submitted,

CLARENCE M. HARRIS, Superintendent.
